Child Information (at time of incident)

Age: 11 Years Gender: Female Male

Race or Ethnicity: Black/African-American

Special Needs: None

Date of Incident: June 27, 2014

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On June 27, 2014, the agency received a report regarding an 11-year-old child who was the alleged victim of physical abuse and neglect. There were no injuries reported as defined in 48.02 (14g). Medical personnel did not evaluate the child.

Law enforcement initiated a criminal investigation due to the alleged maltreater's reckless behaviors. Specifically, the mother's boyfriend placed the children in a dangerous situation by becoming intoxicated, threatening suicide and handling a loaded weapon. The situation also escalated to a violent altercation between the boyfriend and the children's mother, causing the children to intervene and call the police. The mother and boyfriend were both physically injured.

As a result of law enforcement's investigation, the boyfriend was arrested and criminally charged with one count each of 2nd-Degree Recklessly Endangering Safety and Child Abuse-Intentionally Cause Harm. The boyfriend was found guilty of one count of 2nd-Degree Recklessly Endangering Safety.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect to the child by the boyfriend and found insufficient evidence to substantiate physical abuse of the child by the boyfriend. The agency determined the child and his sibling were safe and the children remained with their mother. A Child in Need of Protection or Services petition was filed and the case remains open to provide ongoing case management services.
