Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On February 9, 2021, the agency received a report regarding a 7-month-old infant pronounced deceased at the hospital. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner determined the infant's death to be accidental. As a result of law enforcement's investigation, the child's mother was criminally charged with Neglect of a Child Resulting in Death. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect to the infant by the infant's mother. The Medical Examiner determined the infant's death to be accidental. The infant's 2-year-old brother was deemed unsafe, taken into Temporary Physical Custody, and placed with a relative. A Petition for Protection or Services was filed, and the case remained open to provide ongoing case management services.
