**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On July 19, 2023, the agency received a report regarding a 3-year-old child brought to the hospital with an injury. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the child sustained a serious injury. As a result of law enforcement's investigation, the mother was criminally charged with Neglecting a Child (Consequence is Great Bodily Harm). A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical professionals to complete the assessment. Medical professionals determined the child sustained a serious injury. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect of the child by the mother. The agency deemed the child and the child's siblings unsafe and initiated a Protective Plan. The Protective Plan was subsequently terminated, and the child and child's siblings remained in the care of relatives. The agency closed the case upon completion of the Initial Assessment.
