Re: Changes to Wisconsin Chapter 48 Made During the 2005-06 Wisconsin Legislative Session

In a series of information memos over the past several months, the Division has alerted agencies to substantive changes made to Wisconsin Chapter 48 by the Legislature during its 2005-06 session. Attached to this memo is a table identifying the specific statutory changes. Words that are underlined are added to the statute, words that are struck through have been deleted from the statute. The effective date is also identified. This table is useful as a supplement to current paper editions of the Children's Code.

The Revisor of Statutes has an online version of Chapter 48, which has been revised to incorporate all changes through 2005 Wisconsin Act 491, the final act of the current session. The Revisor of Statutes website is: <http://www.legis.state.wi.us/rsb/stats.html>
